A hashtag that references sexual harassment within China's rock music circuit, freely translated as #RockCircleMe2, began circulating on Weibo in July and received over 8 million views and over 7,000 posts on the subject. In Asia, #MeToo is not just synonymous with harassment and sexual assault. They focus on fighting the epidemic of pornography with country's spy cameras, the well-documented problem of hidden cameras in Korea's public restrooms and locker rooms. Frustrated by the lack of progress, Seo decided to join her voice to the rising world choir on January 29th by sharing her experience in an open letter on her workplace intranet and signing it with #MeToo at the end. "For a long time, I tortured myself blaming everything," she says, talking to TIME on a cloudy September morning in Seoulás Neighborhood of Apygujeong. Others, like Lu Pin, say that activists were always looking for this opportunity and were eager to forge the interpretation of #MeToo by their own country. And in both China and South Korea, the broader cultural impact of speaking in such challenging environments is creating a wave of support and solidarity. In 2010, Seo, a high-level prosecutor in South Korea, claimed to have been repeatedly groped at a funeral by a male senior colleague while the country's Minister of Justice was sitting nearby. She tells TIME that she has not yet received an apology about the incident or its further treatment. In a society where a prosecutor is considered one of the most prestigious jobs, many were shocked to realize that even powerful women like Seo were vulnerable to sexual harassment and silenced. sÃap od odatse o ,noisiveleT lartneC anihC an air;Ãigatse are ale odnauq ,4102 me megaiuqam ed alas amu me uotselom a nuJ uhZ VT ed arodatneserpa a euq agela ,)sail¡Ãserper ed odem rop oriedadrev emon ues essacilbup o£Ãn euq EMIT à uidep euq(iZ naiX ,sona 52 ed VTCC ed air¡Ãigatse-xe A .odÃunimid met orenaÃg ed edadlaugi ed seµÃtseuq erbos o£Ã§Ãazitneicsnoc a ratnemua arap o§Ãapse o euq mezid satsivita ,satsinimeF ocniC sad o£Ã§Ãneted a edseD .lautriv oiopa ed eder ed eic©Ãpse amu odnairc e sosac sues arap o£Ã§Ãneta a odnamahc ,siaicos seder sairp³Ãrp saus me serehlum sartuo ed sair³Ãtsih mahlitrapmoc samuglA .maratsefinam es euq doowylloH ed sedadirbelec sad aruvarb a edualpa uohzgnaH me lauxes o£Ãsserga ed etneviverbos amU .moc.emit@nehc.aira me nehC airA arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .âetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .âetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .âetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .âetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreuQâ .tenretni a arap avercsE lueS / kraP gnuoyniJ ed snegatroper moCâ .aetnaifnoc e zilef omoc etneviverbos od megami a rartsom oreu a zilef omoc etneviverbos od megami a rartsom oreu a zilef omoc etneviverbos od megami a zilef omoc etneviverbos od etneviverbos od etneviverbos od etneviverbos od etneviverbos od etneviver .o£Ã§Ãaer ed odem moc sotsor sues merboc sale ,lauxes oid©Ãssa e aicnªÃloiv erbos a§Ãitsuj odnigixe saur sa mamot serehlum sa odnauq omsem ,acit¡Ãrcomed luS od aieroC aN .avitalsigel a§Ãnadum ed somret me ra§Ãnacla medop setneviverbos so euq o reverp licÃfid ©Ã adniA .sortuo sod snu megaroc a ranrot es e sortuo soa snu rajarocne ,sa§Ãnaila ramrof medop sele ,ossid zev mE .lueS ed lanubirt mu me aid ognol mu ed sioped odaleg ¡Ãhc â.edadilanosrep ed o£Ã§Ãa amu moc uortne iZ naiX ,52 .missa reviv siam medop o£Ãn euqrop edadeiradilos me odnatul e odnatsefinam es o£Ãtse serehlum sAâ .nagihciM ed edadisrevinU an rehluM ad air³ÃtsiH e sodutsE ed arosseforp, gnehZ gnaW broadcaster. In Japan, #WithYou has been used to express solidarity with survivors of workplace harassment; in Thailand, women expressed their frustration at being ashamed of sluts with #DontTellMeHowToDress; and in the Philippines, women flooded social media and streets in protest against President Rodrigo Duterte's sexist comments under the hashtag #BabaeAko.) But daring to speak of some of these deeply patriarchal societies carries enormous risks. South Korea was not the only country in Asia where women's rights activists paid attention to how the #MeToo movement on the other side of the globe was evolving. Last fall, after suffering long-term health issues such as panic attacks and trouble sleeping, Seo watched the #MeToo," "a Hangzhou survivor tells TIME." But in South Korea, Seo's testimony seems to have changed perceptions of sexual harassment. "She really shattered the stereotype of victims of sexual violence," says Bae Eun-kyung, professor of Gender Studies at Seoul National University. "Political activists have spent years making the fertile ground for the #MeToo movement to flourish in China today," says Hongeta Fincher, author of Betraying the Big Brother: The Feminist Awakening in China. But while celebrities and media figures helped make #MeToo viral in the US, there were fewer major cases in Asia. Her story is one of many social media posts detailing sexual harassment experiences that have been censored. This is a battle from which we cannot turn back, Ko says. Women like Seo and Xian Zi want nothing less than to change how survivors of abuse are Luo's post was seen more than 3 million times in one day and triggered a series of other allegations against at least a duct of university professors. A loose and decentralized web of volunteers managed to make the movement more resistant to the march of authoritarianism. As with celebrities speaking in Hollywood, your case exposed as is widespread the problem. If the 2012 performances were planned now, says Activist Xiao Yue, better known as Xiao Meili, who participated in some â € ¬ "We will be arrested before it happens. Although the number of Chinese users have reached more than 800 million, with more than 376 million monthly asset users in Weibo, censors are quick to block or exclude any content considered disruptive or sensitive. It's been eight years since SEO Ji-Hyun says she was sexually harassed, but it is still painful to remember. These are particularly generalized problems: a 2014 UN report showed South Korea had the third highest rate of murder vanity in the world; and in a study of 2017, almost 80% of South Korean men surveyed â € â € "By the Korean Criminology Institute said they had physically abused or psychologically a girlfriend. This has not stopped a new generation of experienced women's experienced women working for Amplific Air History #Metoo, with the help of virtual private networks [VPN] ensuring a secure and encrypted internet connection. Many end up being denounced as "Diggers", receiving a torrent of abuse online, and even though they are seated by alleged perpetrators of assault. "The one who is fighting are not famous people â \in \text{Says Lu} Pin, the founder of the Feminist Platform for Chinese Activist Platform for Chinese Activity Platform for Chinese Activity Pla much systemic or social change in some regions, South Korea and China are two places where activism culture remains strong. While the Chinese movement borrowed to hashtag, others used their movements to address deeply rooted inequalities, including access to abortion, domestic violence and murder. In August, more than 40,000 women participated in an anti-espionage porn; Later in that month, 20 thousand took the streets of the SIA, strong government control over freedom of information means that it is more difficult for activists to seek inspiration in the movements of other countries. Despite the reaction, activists and survivors of the region remain hopeful and challenging, especially when glimpses of institutional changes. These captured images secretly arrive regularly to online porn sites, leading to almost 6,500 cases reported in 2017, according to police. Activists say that there seems to be a growing sexual assistance between Internet users and #Metoo activists have managed to create creatively circumventing the censorship of various ways - distorting images, using emojis, Manipulating Chinese characters and using github codes. Chen denied the allegations, but 10 days later, after an investigation, he was fired and the university revoked his qualifications of teacher, emitting a public statement saying they found that Chen had harassed sexually students. The roots of The movement can be traced back to feminist campaigns several years earlier. Today, Seo's interview is widely credited as the kick-off of South Korea's #MeToo movement, unleashing a wave of women protesting against film directors, poets, actors and others. While high-profile perpetrators in the West publicly apologized for their behaviour and some lost positions of power, many in Asia saw the opportunity to rekindle movements pushing for gender equality and shape their own national conversations about gender inequality. In May 2017, state media pointed to "hostile forces" using "Western feminism" to interfere in the country's social media. South Korean President Moon Jae-in is calling for tougher punishments for spy camera criminals, and the Seoul government is launching a clean-up campaign to rid the city's public toilets of hidden cameras. In August, Zhu Jun denied the allegations in a lawyer's letter published online, and shortly thereafter filed a lawsuit against Xian Zi, as well as a friend who posted the story on Weibo, and against the platform itself for Firm of college students and graduates showed that almost 75 % of women reported having been sexually harassed in their lifetime, with over 40 % of incidents occurring in public spaces on university campuses. Be happy A ¢ â € "SEO says. Some credits the US movement with the help of bringing the conversation to the open. The lawyer Lee Eun-Eui, who successfully sued his employer, Samsung, in a process of Marco's sexual assistance in 2008, says 80% of his customers are claiming related cases for discrimination and ass In the workplace. In China, a repressive state where cracks about human rights activists and minoritarian populations are increasing - women should face their posts in social media being censored and online feminist platforms being switched off. Xian Zi also received several calls called phone threatening to find his mother at home. In November, SEO asked a meeting with the high administration to open an investigation into the incident, and find the truth in relation to her treatment in the years since she reported The incident. A turning point arrived in 2015, when five feminine activists, known broadly as - feminist five $\tilde{A} \notin f \hat{a} \notin f \hat{a}$ group that organizes stands in Seoul also chooses to remain anonymous.
